A MESSAGE FROM THE TREASURER/MANAGER

We trust that you are having a wonderful 2017 so far and that the best is yet to come! I am pleased to announce that the credit union is going to offer a Skip-A-Pay option that you can take advantage of either the month of July or August. Contact us at the credit union for full details on this offer. Review our loan specials for the next couple of months and see if we can help you with your financial needs. I do want to remind you that we now have the ability to price match rates on competing loans! Why not refinance your current loan from another institution, here with us?
